BDO

Introduction

The following matters have been raised to draw items to the attention of Bury St.Edmunds Town Council. These matters came to the attention of BDO LLP during the audit of the annual return for the year ended 31 March 2012.

The audit of the annual return may not disclose all shortcomings of the systems as some matters may not have come to the attention of the auditor. For this reason, the matters raised may not be the only ones that exist.

The matters listed below are explained in further detail on the page(s) that follow;

The following issue(s) have been raised to assist the council. The council is recommended to take action on the following issue(s) to ensure that the council acts within its statutory and regulatory framework.

Fidelity Guarantee

What is the issue?

The level of fidelity guarantee cover obtained by the council appears to be insufficient in light of the bank balances held at 31 March 2012 and the amount of precept subsequently received in April 2012.

Why has this issue been raised?

A council, under S114 of the Local Government Act 1972, must take security as it considers sufficient in the case of any of its officers likely to handle its money. The council may decide that insurance is not 'sufficient' for them, but in order to come to this opinion it must have reviewed the requirement annually and have objective grounds for such a conclusion.

What do we recommend you do?

The council should consider the level of insurance cover and set it to a level that will protect the council against potential loss. The council should review the level of cover at least annually as circumstances may change throughout the year.

The amount should be sufficient to cover the maximum amount of money the council holds at any one time during the year. A council does not have to have fidelity guarantee insurance if it considers that no security is 'sufficient' but there must be objective grounds for such a conclusion. Smaller councils may decide therefore that the cost of this insurance is disproportionate to the risk involved. If this is so the council should minute this decision annually.
